

# Summer Student Internships and Co-op Placements

**Job Category:** Other

**Requisition Number:** SUMME001874

Full-Time, Young-Davidson Mine

Matachewan, ON P0K1M0, CAN

## Description

### Job Opportunity

Young-Davidson is currently recruiting the following position to join our operations team.

### 2024 Summer Student Internships and Co-op Placements

Alamos Gold's **Young-Davidson** is a low-cost, long-life operation and one of Canada's largest underground gold mines. It is located near the town of Matachewan centrally located between Timmins, Kirkland Lake, North Bay and Sudbury, Ontario. The recent completion of a highly automated lower mine expansion has resulted in Young-Davidson increasing production as well as strong free cash flow generation. With a large Mineral Reserve base, it will serve as Alamos' foundation for growth for many years to come. This is a very exciting time at Young-Davidson, and we are searching for highly motivated and committed people to join our team!

If you are willing to be part of a team that is dedicated to growth, high performance and a culture of safety and accountability, we would like to hear from you!

The company reserves the right to determine final selection and number of summer students hired. In the event, there are more applicants, than number of positions available, the Company will determine selection, based on previous site experience, good standing with grades and preference for students pursuing or currently enrolled in a course of study that is related to the mining industry. For example; Mine Engineering/Technology, Geology, Metallurgy, Electrical or Mechanical Engineering or Technology, Environmental Sciences, Surveying, Finance/Accounting, Business Administration, Human Resources and Occupational Health & Safety Programs and Industrial Trades programs.

**To be eligible to apply**, student must be a minimum of 16 years of age to work on surface and 18 years of age to work in underground operations.

Please submit your current resume and specify the following on your cover letter:

- The College or University you are attending or planning to attend in the fall of 2024;
- The program you are studying and the current year;
- Any immediate relatives that are employed by Young Davidson Mine;
- Any relevant technical qualifications you possess;

**Student must provide their most recent transcript of grades and proof of enrolment or application to education institution for the fall of 2024.**

**Student Wage: Starting at \$20.00+/hour, (exact wage dependent on position, experience and education)**

**We want to emphasize that we are looking for co-op placements and student internships across the site from engineering, metallurgy, and trade related fields.**

Qualified candidates are invited to visit our website, [www.alamosgold.com](http://www.alamosgold.com) and apply online under the careers' sections.

*Alamos Gold Inc. is committed to an environment that is barrier free. If you require accommodation during the hiring process, please inform us in advance so that we can consider reasonable and appropriate accommodation.*

*We sincerely appreciate the interest of all applicants however, only those candidates selected for an interview will be contacted.*
