

AGNICO EAGLE

Lead Nurse

WHAT DOES AGNICO EAGLE VALUE?

At Agnico Eagle, our values never waver. We believe in trust, respect, equity, family and responsibility. Why? Because they express who we are, and they have helped us succeed in business for over 60 years. We value **you** – your unique set of skills and experience. We value your willingness to build those skills and make a meaningful contribution to our company. And, we value your commitment to treat every person on our team with respect, helping us to operate safely, protect the environment and make a positive contribution to our local communities.

Want to learn more about Macassa Mine? [Click here!](#)

Agnico Eagle Mines' Macassa Mine is situated on the traditional homelands of the Apitipi Anicinapek Nation and Matachewan First Nation. In honoring our relationships with and commitments to our Partner Nations, Agnico Eagle prioritizes the hiring of Members from these Nations. To support this commitment, members from these Nations seeking employment opportunities at the Macassa Mine are encouraged to self-identify during the job application process. This ensures that we can consider your application appropriately in line with our dedication to supporting our Partner Nations.

YOUR CONTRIBUTION:

Reporting to the Health & Safety Superintendent you will be part of the Health & Safety Department. You will ensure that the goals and objectives are achieved while promoting and respecting Agnico Eagle's values, Health & Safety Code of Conduct and the environment.

- Develops a preventative health environment ensuring compliance with all policies, legislation and regulations affecting health and medical requirements;
- Establishes a calendar of events and scheduled prevention education fitting operational and seasonal risks;
- Professionally treats and supports workers with any first aid or associated conditions that supports best prognosis for conditions;
- Collaborates and liaises with the Human Resources team & the Health, Safety and Training team to monitor, participate, assess and consult on safety issues as required;
- Refers workers to further treatment after advising management first where applicable;
- Supports WSIB case management claims;
- Supervise Occupational Health Nurses at site, managing performance and identifying training and development opportunities;
- Other duties as directed.

WHAT YOU NEED TO SUCCEED:

- Registered Nurse in good standing with the College of Nurses of Ontario;
- Previous experience in an industrial setting is considered an asset;
- Excellent working knowledge of all Microsoft Office Suite applications especially Outlook, Excel, Word & PowerPoint.

YOUR WORK SCHEDULE:

- Schedule: 4/3 or 5/2 schedule at our Macassa Mine in Kirkland Lake, ON.

AGNICO EAGLE

Lead Nurse

Be a part of it. Be proud of it. Be Agnico Eagle.

We look forward to having you onboard, and while we sincerely appreciate all applications, only those candidates selected for an interview will be contacted directly by a member of our team.
