

Job Opportunity

Alamos Gold Inc. Young-Davidson is currently recruiting the following challenging position to join our operations team:

Mine Technician/Surveyor

Alamos Gold's **Young-Davidson** is a low-cost, long-life operation and one of Canada's largest underground gold mines. It is located near the town of Matachewan centrally located between Timmins, Kirkland Lake, North Bay and Sudbury, Ontario. The recent completion of a highly automated lower mine expansion has resulted in Young-Davidson increasing production as well as strong free cash flow generation. With a large Mineral Reserve base, it will serve as Alamos' foundation for growth for many years to come. This is a very exciting time at Young-Davidson, and we are searching for highly motivated and committed people to join our team!

If you are willing to be part of a team that is dedicated to growth, high performance and a culture of safety and accountability, we would like to hear from you!

Date Posted: September 25, 2024

Closing Date: Until Filled
