

# AGNICO EAGLE

Telecommunications & Network Specialist

MAC00160

## WHAT DOES AGNICO EAGLE VALUE?

At Agnico Eagle, our values never waver. We believe in trust, respect, equity, family and responsibility. Why? Because they express who we are, and they have helped us succeed in business for over 60 years. We value you – your unique set of skills and experience. We value your willingness to build those skills and make a meaningful contribution to our company. And, we value your commitment to treat every person on our team with respect, helping us to operate safely, protect the environment and make a positive contribution to our local communities.

## ABOUT OUR OPERATION

Want to learn more about the Macassa Mine? [Click here!](#)

Agnico Eagle Mines' Macassa Mine is situated on the traditional homelands of the Apitipi Anicinapek Nation and Matachewan First Nation. In honoring our relationships with and commitments to our Partner Nations, Agnico Eagle prioritizes the hiring of Members from these Nations. To support this commitment, members from these Nations seeking employment opportunities at the Macassa Mine are encouraged to self-identify during the job application process. This ensures that we can consider your application appropriately in line with our dedication to supporting our Partner Nations.

In compliance with the Accessibility for Ontarians with Disabilities Act, Agnico Eagle Mining (AEM) is committed to providing accommodation for people with disabilities. Accommodation is available, upon request, for candidates participating in the recruitment process.

## YOUR NEXT CHALLENGE:

Reporting to the Superintendent, Information Technology, you will be part of the Information Technology Department. You will ensure the effective use of communications systems at Agnico Eagle Mines (AEM) Macassa Mine. You may also help in the design of systems and help assess the effectiveness of communications technology resources already in use or new systems that are being implemented. You will ensure that the goals and objectives are achieved while promoting and respecting Agnico Eagle's culture, Health & Safety Code of Conduct and the Environment.
